

## What can a Quiet Day offer?

A number of RE departments and Heads of RE have taken time to reflect during the school year and spend a day at Whalley Abbey. The focus for the day has included:

- a deliberate intention to share ideas,
- rethink policies
- develop skills
- review schemes of work

But it has also included times to be quiet together and space for individuals to be alone for prayer and reflection.

The day could be led by a member of the Diocesan team, or by someone known to the school, the vision for the day should acknowledge the importance of flexibility when sharing and planning to suit the individual/group.

If you would like the Board of Education to be involved please contact [jean.hornsby@blackburn.anglican.org](mailto:jean.hornsby@blackburn.anglican.org), or direct to Whalley Abbey [office@whalleyabbey.org](mailto:office@whalleyabbey.org)
