In order to run Breathe you will need a clean, dry space 12m square or bigger with access to power sockets.

There are two pricing structures:

For staff employed by any of the DBE Services dioceses, and who have been trained to run and supervise Breathe, the cost to hire is £50.00 for any period between one day and one week. Breathe will need to be collected and returned to Church House by the hirer. The hirer is responsible for providing all consumables required as part of Breathe, including the use of two laptops. The hirer is responsible for setting up and supervising Breathe during the hire period. A second consecutive week or part of a week will incur a further charge of £50.00

For other organisations or individuals who are not part of DBE Services, the charge to hire Breathe will be £250 for the first day, and £50.00 for each subsequent day. This covers hire charges, transportation costs, the cost of a supervisor to set up and run Breathe and the provision of all consumables.
